

Care for Everyday

Your **Health** Our **Mission...**

+ We stand  
with high quality  
healthcare products to  
**Improve  
Human Lives**

# ABOUT US

**Our team members are  
our family members...**

## **+ Purpose:**

To be a leader in the pharmaceutical industry by providing excellent quality and service at affordable price.

## **+ Passion For Excellence:**

We Relentlessly pursue Excellence through innovative and Continuous improvement in all our projects, Processes and products. To set our standard, we benchmark with the best

## **+ Respect & Care:**

We are Compassionate and Sensitive towards all our stakeholders and Treat them the way we would expect to be treated. We Provide equal and Fair Opportunity for Employment, Learning and Career development.

## **+ Teamwork:**

We align efforts and Energies of our people across all levels and geographies to deliver Opinions and yet work together in a coordinated and mutuaualy supportive way

## **+ Intergrity:**

We conduct ourselves with uncompromising intergrity and honesty and insist on the highest ethical standards and transparency from our stake holders in all interactions. Everything we do must stand public scrutiny.

The Cure that  
Embraces with Care

# Aze-500

Azithromycin 500mg

Tablet

## Azithromycin

- ▶ Broad spectrum bactericidal.
- ▶ Widely distributed throughout the body.
- ▶ Shows higher concentration in tissues than in plasma.
- ▶ Active against wide range of gram-positive and gram-negative organisms
- ▶ Concentrations in target such as lung, tonsil, prostate, etc.
- ▶ Exceed the MIC for Susceptible pathogens after a single dose.

Bronchitis & pneumonia

Skin and soft tissue infection

Otitis media

Sinusitis, Pharyngitis & Tonsillitis

Reliable choice for effective results

Restore Smiles,  
Relief **Pain**

# CAMPER-SP

Aceclofenac 100mg + Paracetamol 325mg + Serratiopeptidase 15mg Tablets

## ACECLOFENAC

- » Rapid relief from pain and inflammation.
- » Useful for inflammatory condition in Gynecology.

## PARACETAMOL

- » Relieves the pain directly by suppressing pain pulse in brain, Lowers the body temperature & make it normal.

## SERRATIOPEPTIDASE

- » Improving circulation by reducing levels of dead tissue, digests scar tissue build up from surgeries or injuries reduces blood clots, cysts, & arterial plaque.

*Indications: -*

**FEVER | OSTEOARTHRITIS | LOW BACK PAIN**  
**TRAUMATIC PAIN**

A Complete blend of  
Therapeutic and Psychological Pain reliever

*A Painful inflammatory Conditions*

# CAMPER-P

Aceclofenac 100mg + Paracetamol 325mg Tablets

## Aceclofenac

- » Has enhanced tolerability and decreased common side effects compared to diclofenac.
- » One of the most popular and basic and anti-inflammatory drugs used for the relief of pain, rheumatoid arthritis, and osteoarthritis.

## Paracetamol

- » Highly selective inhibitor of COX-2 enzyme
- » Does not inhibit the production of pro clotting thromboxane.

## Indication

Orthopedic injuries | Sports injuries | Sprain and strain  
Fractures Osteoarthritis

*Sure shot relief in painful  
conditions*

Targeted success in **Mixed Infections...**

# CEFOPOD 200

Cefpodoxime Proxetil Dispersible

Tablets

- ▶ Highly active against both gram positive & Gram Negative organisms
- ▶ Stable to beta-lactamase degradation
- ▶ Achieves superior cure rates compared to ceftriaxone in bronchopneumonia
- ▶ 5-Days therapy with cefpodoxime is atleast as effective, clinically & micro biologically, as 10 day therapy with penicillin V in pharyngitis/Tonsillitis
- ▶ Better tolerated drug.

Heart burn and Acidity*

# Esodome<sup>TM</sup>-DSR

Esomeprazole 40mg + Domperidone 30mg **CAPSULES**

- » Gastroesophageal Reflux Disease (GERD)
- » Short-term treatment of erosive esophagitis in patients with GERD
- » Short-term treatment of symptomatic GERD in patients without erosive esophagitis.
- » Maintain healing, symptom resolution, and decrease recurrence of erosive esophagitis
- » An Antidopaminergic drugs generally to suppress nausea and vomiting.

In:- GERD | Acidity | Nausea & Vomiting

*Controls Acidity... Relieves Dyspepsia*

*The target specific pain reliever*

# Etrocus 90/120

Etoricoxib 90/120mg **Tablets**

- ▶ The Specific COX-2 Inhibitor
- ▶ Known for its minimum suppression of COX-1 SD no GI related adverse effects
- ▶ Provides superior pain relief compared to other agents
- ▶ Once a day dose so high patient compliance
- ▶ Single dose of oral Etoricoxib produces high levels of good quality pain relief after surgery. It is better than other commonly used analgesics.

**Indication:-**

- Arthritis | Spondylitis
- Post Surgical Pain Management
- Acute Low Back Pain

Now available in **Etrocus 90**

*Pain relief at its best...*

Beating **Pain & Inflammation** with Powerful Combination...

# Etrocus-P

Etoricoxib 60mg + Paracetamol 325mg

**Tablets**

## Etoricoxib

- Effective in the management of arthritis & pain.
- More effective as compared to naproxen for treating patients with RA.
- Significantly relieves symptoms and disability associated with chronic low leading to improvements in physical functioning and quality of life.
- Possesses rapid onset of action with a longer plasma half life.

## Paracetamol

- Well absorbed with a rapid onset of action.
- Effective in treatment of arthritis, migraine attacks & Pain management.

### Indication:-

01

**Gouty Arthritis**

02

**Chronic Low Back Pain**

03

**Spondylitis**

04

**Osteoarthritis**

**Pain Relief at its best...**

*An Ace option for better nerve health*

# NUROC PLUS

Methylcobalamin 1000mcg + Thiamine Hcl 100mg + Pyridoxine Hcl 100mg + Nicotinamide 100mg + D-Panthenol 50mg **Injection**

## Methylcobalamin

- Methylcobalamin is a cobalamin a form of Vitamin B12
- Vitamin B12 is important for the brain & never, for the production of red blood cells.
- Methylcobalamin is sometimes used in people with pernicious anemia, diabetes & other conditions

## Thiamine

- Thiamine significantly reduces the raised glutamine levels due to alcohol with withdrawal in chronic alcoholics, thus limit the neurotoxicity

## Pyridoxine

- Pyridoxine is used for preventing & treatment low levels of Vitamin B6 & the anemia that may result
- Pyridoxine is required for the proper function of sugars, fats & proteins in the body
- It is also required for the proper growth & development of the brain, nerves, skin & many other parts of the body

## Nicotinamide

- Nicotinamide (NAM) is a form of vitamin B3.
- It is promoted as an anti-ageing supplement because it boosts your body's levels of NAD+, which acts as fuel many key biological processes.

# Excellent Calcium Formula For Strong Bones...

# SELZA-C

Calcium Carbonate, Vitamin D3 & Zinc

Syrup

## Calcium Carbonate

- ✦ Essential for skeletal development and repair
- ✦ Plays a key role in supporting bone health in postmenopausal women
- ✦ Slows the progression of Osteoporosis & helps reduce cholesterol levels

## Vitamin D3

- ✦ Essential for normal bone growth and development
- ✦ Necessary for utilization of both calcium and phosphorus

## Zinc

- ✦ Growth retardation, congenital abnormalities & retarded neuro-behavioral & immunological development in the fetus.

## Indications :

Osteoporosis

Pregnancy

Hypocalcaemia

Post Menopausal Disorders

# SELZA-C

Calcitriol 0.25mg + Calcium Carbonate 500mg +  
Ele. Calcium 200 mg + Zinc Sulphate Monohydrate **Softgel Capsules**

- Stimulates calcium absorption
- Safe and significantly reduces the rate of new vertebral fractures in post menopausal women.
- 4-5% more absorbable than calcium carbonate
- More effective than calcium carbonate at slowing bone loss in postmenopausal woman
- Increases spinal bone density in osteoporosis
- Increases osteocalcium levels and facilitates mineralization of bones
- Exerts suppressive effect on osteoclasts
- Prevents fractures and sustains lumbar bone mineral density in osteoporosis

### *Indications :*
